September 30, 2022

The Zoom meeting was called to order by chairperson Cecilia Vore at 1:00pm. Also in attendance were Elizabeth Varley, Steve Tanzer, Marsha Scheflen, and Rebecca Meick.

The purpose of this meeting was to continue to cross-reference the Resident List with the Voter Registration List so that ballots will be sent to all eligible voters.

Cecilia discussed the issues that occurred last year with the post office when ballots were returned as undeliverable. She spoke with people at the post office and the printer and will implement changes to avoid the same situation this year:

- Changes to the placement of wording near the bottom of the envelope
- Hand stamping to be done by the committee and hand delivering to the post office
- New sorting facility at the USPS

We started with lot #7 and continued through lot #85, going through the Arden Lot map lot number by lot number.

Cecilia made notes of any questions or discrepancies and will follow up with communications to clarify any issues.

Next steps:

- Stamping envelopes
- Calling voters to remind them to vote and return their ballots
- Vote counting will take place on November 8

The meeting was adjourned at 2:50pm.
